ORDER CLOSING DOCKET

BY THE COMMISSION:

On April 12, 1990, Clay Electric Cooperative, Inc. (Clay) filed a petition with this Commission to resolve a territorial dispute between Clay and Florida Power & Light Company (FPL). The dispute centered around the provision of electric service for a proposed mine site in Clay County. This mine site, known as the Maxville mine site, is owned and operated by E.I. du Pont de Nemours & Company.

On October 24, 1990, a hearing was held concerning this matter. Order No. 24003, issued January 18, 1991, provided that FPL was entitled to provide electric service to the Maxville mine site. On February 4, 1991, Clay filed a Motion for Reconsideration requesting that the Commission reconsider its decision rendered in Order No. 24003. In response to this Motion for Reconsideration, the Commission amended Order No. 24003 by Order No. 24318, issued April 3, 1991.

We find that all activities have been completed, and that no further action is required in this docket. Accordingly, if no notice of appeal is timely filed, this docket shall be closed.

In consideration of the foregoing, it is

ORDERED by the Florida Public Service Commission that if no notice of appeal is timely filed, this docket shall be closed.
