NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING IXC CERTIFICATE TO
TELWORLD COMMUNICATIONS CORP.

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are adversely affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Rules 25-24.470, and 25-24.471, Florida Administrative Code, establish the requirements for certification as an interexchange telephone company (IXC). On March 19, 1991, TELWORLD COMMUNICATIONS CORPORATION (Telworld or the company) filed an application for a Certificate of Public Convenience and Necessity to operate as an IXC.

Telworld is a Florida corporation. At present, it has no applications pending for certification in any other state. The company states that no regulatory penalties have ever been imposed and that it has not been involved in any civil court proceedings with IXCs, local exchange companies (LECs) or other telecommunications entities. Telworld also states, that it has not previously provided intrastate service in Florida. The company has agreed to comply with the Commission's EAEA requirements, LEC bypass restrictions, payment of regulatory assessment fees and all other applicable Commission rules and orders. Upon review, we find that the company's application has satisfied our standard filing requirements.

Rule 25-24.485, Florida Administrative Code, requires that each IXC wishing to do business in Florida maintain a tariff on

file with this Commission of particular format and content. We find that the Company's tariff is of proper format, contains all of the provisions of this Rule, and meets our standard filing requirements.

Upon review, we find that a certificate of public convenience and necessity shall be granted to TELWORLD COMMUNICATIONS CORPORATION to operate as an IXC in Florida.

The company has requested a 14 day Proposed Agency Action (PAA) protest period. We traditionally have granted a 14 day protest period upon request and find it appropriate in this case.

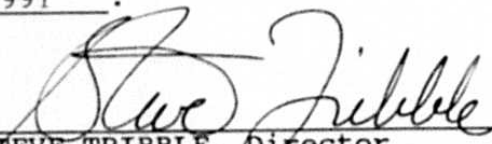

Therefore, based on the foregoing, it is

ORDERED by the Florida Public Service Commission that a Certificate of Public Convenience and Necessity is hereby granted to TELWORLD COMMUNICATIONS CORPORATION to operate as an IXC in Florida. It is further

ORDERED that TELWORLD COMMUNICATIONS CORPORATION is granted a 14 day PAA protest period. It is further

ORDERED that this Docket shall be closed after the effective date of this Order, assuming no timely protest is received.

By ORDER of the Florida Public Service Commission, this 24th day of JUNE, 1991.
