NOTICE OF PROPOSED AGENCY ACTION
ORDER CANCELING CERTIFICATE NO. 57

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are adversely affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

By Petition dated May 14, 1991, Transcall America, Inc. d/b/a ATC Long Distance (Transcall) and South Tel Inc. (South Tel) (collectively the Companies) requested the cancellation of Certificate of Public Convenience and Necessity No. 57. In Order No. 23761, the Commission approved South Tel's acquisition by Transcall and the transfer of Certificate No. 57 from South Tel to Transcall. Transcall represents that it intends to consolidate the South Tel operations with its own and that it no longer requires the South Tel certificate for operating purposes. South Tel customers have been notified of the changes. Additionally, Transcall has stated that it will timely file all regulatory assessment fees due for its operations for this year. Accordingly, and for these reasons, we will grant the Companies' request and cancel Certificate No. 57. With this action, the South Tel tariff will also be cancelled.

It is therefore,

ORDERED by the Florida Public Service Commission that the request of Transcall America, Inc. d/b/a ATC Long Distance and
