ORDER APPROVING TARIFF

BY THE COMMISSION:

On May 15, 1991, Southern Bell Telephone and Telegraph Company (Southern Bell or the Company) filed proposed revisions to its General Subscriber Service Tariff introducing a special promotion for RingMaster, TouchStar, and Remote Access Call Forwarding features. The promotion would allow new and existing customers to try one or two of the features for two months with no monthly recurring charge. During the promotion period, customers subscribing to the services will receive a credit equal to two months billing for the feature plus any partial monthly billing resulting from establishment of the service. The normal service order charges will apply. We have approved the use of special promotions waiving nonrecurring charges for ancillary services in previous decisions. Additionally, by Order No. 19872, issued August 23, 1988, we authorized a waiver of two months recurring charges for Southern Bell's RingMaster Service.

We believe that this tariff filing is appropriate. Even with the waiver of two months recurring charges, the Company estimates that this promotion will generate \$558,489 in additional contribution. Accordingly, we hereby approve the tariff as filed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Southern Bell Telephone and Telegraph Company's proposed tariff filing waiving two months of recurring charges for RingMaster, TouchStar, and Remote Access Call Forwarding services is hereby approved, effective July 15, 1991. It is further
