FINAL ORDER

BY THE COMMISSION:

On May 10, 1991, we issued Order No. 24510 requiring Lorin, Inc. (Lorin) to show cause why it should not be fined \$250 or, in the alternative, have its certificate canceled, for failure to file its 1990 Annual Report. Lorin responded to Order No. 24510 on May 31, 1991. In its response, Lorin requested that it be allowed to pay the fine in \$50 installments. Included with the response was a check for the initial \$50 installment.

Lorin's proposal was consistent with the purpose of imposing a fine. The proposal still discourages undesirable behavior by a regulated utility while permitting the continued operation of that company.

Based on the foregoing, it is

ORDERED that Lorin, Inc.'s offer to pay a \$250 fine in monthly installments of \$50 is hereby accepted. It is further

ORDERED that this docket shall remain open pending complete payment of the fine, and then closed. It is further

ORDERED that in the event a portion of the fine remains unpaid, reasonable efforts, consisting of two certified letters, shall be made to collect the fine. It is further

ORDERED that if reasonable efforts provide insufficient to collect the fine, the matter shall be referred to the Comptroller's Office.
