The original and fifteen copies of each prehearing statement must be received by the Director of Records and Reporting, 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on October 31, 1991. Failure of a party to timely file a prehearing statement shall be a waiver of any issues not raised by other parties or by the Commission Staff. In addition, such failure shall preclude the party from presenting testimony in favor of his or her position on such omitted issues. Copies of prehearing statements shall also be served on all parties. Prehearing statements shall substantially conform to the Florida Rules of Civil Procedure requirements as to form, signatures, and certifications.

Each party is required to prefile all exhibits and all direct testimony it intends to sponsor in written form. Prefiled testimony shall be typed on standard 8 1/2 x 11 inch transcript quality paper, double spaced, with 25 numbered lines, in question and answer format, with a sufficient left margin to allow for binding. An original and fifteen copies of each witness's prefiled testimony and each exhibit must be received by the Director of Records and Reporting, 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on the due date. Along with filing fifteen copies, each party must also supply a copy of the pleadings to the Division of Legal Services, Room 226, Fletcher Building, 101 East Gaines Street, Tallahassee, Florida 32399-0863, on computer diskette formatted to the specifications of WordPerfect, version 5.1. The Legal Division's WordPerfect 5.1 program is set up with the following parameters:

- 1.) Courier 10 pitch type-face
- 2.) Tabs are set at 1.5", 2.5", 4.25" and 5.5", and
- 3.) 3 and 1/2" high density diskette.

Failure of a party to timely prefile exhibits and testimony from any witness in accordance with the foregoing requirements may bar admission of such exhibits and testimony. Copies of all prefiled testimony shall also be served by the sponsoring party on all other parties.

A final prehearing conference will be held on November 8, 1991, in Tallahassee. The conditions of Rule 25-22.038(5)(b), Florida Administrative Code, will be met in this case and the following shall apply:

ORDER NO. 25041

PAGE 3

Any party who fails to attend the final prehearing conference, unless excused by the prehearing officer, will have waived all issues and positions raised in his or her prehearing statement.

Any issue not raised by a party prior to the issuance of the prehearing order shall be waived by that party, except for good cause shown. A party seeking to raise a new issue after the issuance of the prehearing order shall demonstrate that: he or she was unable to identify the issue because of the complexity of the matter; discovery or other prehearing procedures were not adequate to fully develop the issues; due diligence was exercised to obtain facts touching on the issue; information obtained subsequent to the issuance of the prehearing order was not previously available to enable the party to identify the issue; and introduction of the issue could not be to the prejudice or surprise of any party. Specific reference shall be made to the information received, and how it enabled the party to identify the issue.

Unless a matter is not at issue for that party, each party shall diligently endeavor in good faith to take a position on each issue prior to issuance of the prehearing order. When a party is unable to take a position on an issue, he or she shall bring that fact to the attention of the prehearing officer. If the prehearing officer finds that the party has acted diligently and in good faith to take a position, and further finds that the party's failure to take a position will not prejudice other parties or confuse the proceeding, the party may maintain "no position at this time" prior to hearing and thereafter identify his or her position in a post-hearing statement of issues. In the absence of such a finding by the prehearing officer, the party shall have waived the entire issue. When an issue and position have been properly identified, any party may adopt that issue and position in his or her post-hearing statement.
