ORDER APPROVING TARIFF FILING

BY THE COMMISSION:

On June 18, 1991, GTE Florida, Inc. (GTEFL or the Company) filed proposed revisions to its General Services Tariff to allow customers the ability to reserve Direct-In-Dialing (DID) numbers at the tariffed rate for DID numbers over 200. GTEFL's current tariff allows customers to reserve DID numbers for future use if the customer pays the tariffed rate as if those numbers were presently in use. The rates vary according to the number of DID numbers established. The current rates are as follows:

GTEFL Current DID Rates

<u>Service</u>	<u>nonrec.</u>	<u>recurring</u>
DID numbers, per 20 up to 80	\$550.00	\$100.00
DID numbers, 1st block of 100	550.00	440.00
DID numbers, 2nd block of 100	440.00	357.00
DID numbers, each block of 100 above initial 200	55.00	44.00

As shown in the table above, the rates for DID numbers drop sharply once a customer has more than 200 station lines. Some customers have requested that DID numbers be available for reserve at the above-200 rate. GTEFL asserts that customers are willing to pay for the privilege of reserving DID numbers for future expansion, but that the existing rates for fewer than 200 lines are

too high, unless the lines are actually in service. GTEFL provided abbreviated cost and revenue support with this filing. According to GTEFL's figures, the lowest DID rates will amply cover the costs incurred in reserving the numbers. The Company expects an annual revenue impact of less than \$6000 as a result of this change.

Upon consideration, we find it appropriate to approve GTEFL's tariff filing. This proposal will enable customers to expand their DID systems in the future without a high cash outlay for the reservation privilege. Accordingly, the tariff should become effective August 31, 1991, as requested by the Company.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that GTE Florida, Inc.'s tariff proposal to allow reservation of Direct-In-Dialing (DID) numbers at the tariffed rate for DID numbers over 200 (T-91-290) filed June 18, 1991, is hereby approved with an effective date of August 31, 1991, for the reasons set forth herein. It is further

ORDERED that this docket shall be closed if no protest is filed in accordance with the requirements set forth below.

By ORDER of the Florida Public Service Commission, this 12th day of SEPTEMBER, 1991.
