ORDER AMENDING CERTIFICATE TO INCLUDE
 ADDITIONAL TERRITORY AND CLOSING DOCKET

BY THE COMMISSION:

On June 24, 1991, Jacksonville Suburban Utilities Corporation (JSUC or Utility) filed an application with this Commission to amend Certificate No. 236-S to include additional territory in Duval County, Florida. The application is in compliance with Section 367.045, Florida Statutes, and other pertinent statutes and administrative rules. In particular, the notarized application contains:

1. A filing fee in the amount of \$150.00, as prescribed by Rule 25-30.020, Florida Administrative Code.
2. Adequate service territory and system maps and a territory description, as prescribed by Rule 25-30.036, Florida Administrative Code. The additional territory in Duval County is described in Attachment A of this Order.
3. Proof of notice to interested governmental and regulatory agencies and utilities within a four-mile radius of the territory, and proof of advertisement in a newspaper of general circulation in Duval County, as prescribed by Rule 25-30.030, Florida Administrative Code.
4. Evidence that the Utility owns the land upon which its facilities are located, as required by Rule 25-30.036, Florida Administrative Code.

No objections to the notice of application have been received and the time for filing such has expired.

Since JSUC has been in operation under our jurisdiction since 1968, and has been providing satisfactory service to its customers, we believe that the Utility has demonstrated its ability to provide service to the additional territory. From the information filed with the application, it appears that JSUC has the financial ability to serve the additional territory. Therefore, we find that it is in the public interest to amend Certificate No. 236-W to include the territory described in Attachment A of this Order, which by reference is incorporated herein.

It is, therefore,
