ORDER APPROVING TARIFF

BY THE COMMISSION:

On July 22, 1991, Southern Bell Telephone and Telegraph Company (Southern Bell or the Company) filed revisions to its General Subscriber Service Tariff proposing to introduce a volume discount for large Call Tracking - Bulk Line Identification (BCLID) customers. BCLID, equivalent to Caller ID for large businesses, was designed to meet the needs of larger businesses that may desire calling number identification services. It allows a customer to receive a Caller ID like service over a multi-line hunt group or PBX trunk line. BCLID provides the following information to the customer during each call: calling and called directory numbers, time of day the call was received, busy-idle status of the called line, and the calling line type. The current rates for the service are:

Nonrecurring charge - \$500.00 per DID arrangement
Recurring charge - \$.03 per call

The Company plans to provide its largest customers with a usage discount. The proposed structure maintains the nonrecurring charge for all customers. The recurring charges would be as follows:

50,000 or less calls/month - \$.03 per call
50,001 - 400,000 calls/month - \$.02 per call
Over 400,000 calls/month - \$.01 per call

We believe that this filing is appropriate. The volume discount may encourage large companies to subscribe to BCLID, while

continuing to maintain the price of the service above its cost. Accordingly, we hereby approve the tariff as filed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the proposed tariff filing to provide volume discounts to large Bulk Line Identification customers is hereby approved. It is further

ORDERED that if a protest is filed in accordance with the requirement set forth below, the tariff shall remain in effect with any increase in revenues held subject to refund pending resolution of the protest. It is further

ORDERED that if no protest is filed in accordance with the requirement set forth below, this docket shall be closed.

By ORDER of the Florida Public Service Commission, this 1st day of OCTOBER, 1991.

well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

The Commission's decision on this tariff is interim in nature and will become final, unless a person whose substantial interests are affected by the action proposed files a petition for a formal proceeding, as provided by Rule 25-22.036(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a)(d) and (e), Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting at his office at 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on 10/22/91

In the absence of such a petition, this Order shall become final on the day subsequent to the above date.

Any objection or protest filed in this docket before the issuance date of this Order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this Order becomes final on the date described above, any party adversely affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or sewer utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the date this Order becomes final, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
