ORDER GRANTING REQUEST TO EXTEND THE TIME
FOR FILING TESTIMONY AND PREHEARING STATEMENTS

By stipulation dated September 26, 1991, the parties to this complaint have agreed to enter into good faith negotiations that contemplate both the termination of the old contracts that have given rise to this dispute, and the execution of a new contract for the purchase of 74 MW of electric capacity. The stipulation asserts that the new contract will be executed within 45 days of the date of the stipulation; that is, no later than Tuesday, November 12, 1991 (as the 45th day would fall on the Sunday before Labor Day, the date for execution of the contract should be extended to Tuesday.) The parties have requested an extension of the times for filing testimony and prehearing statements in this case to accommodate the new negotiations now under way.

It appears from the allegations in the stipulation that the parties have in fact settled their major differences. Since it has clearly been the Commission's intent to foster an amicable resolution of this cause from the beginning, an extension of the filing dates requested would certainly be appropriate now.

It is therefore,

ORDERED that the CASR dates for filing testimony and prehearing statements shall be revised as follows:

	<u>Current Date</u>	<u>New Date</u>
Testimony - Petitioner (CFR)	Sept. 27, 1991	Nov. 22, 1991
Testimony - Respondent (FPC)	Oct. 16, 1991	Dec. 6, 1991
Prehearing Statements	Nov. 12, 1991	Dec. 10, 1991

The hearing and prehearing dates, as well as the dates for post-hearing filings, will not be changed.
