for a certificate of public convenience and necessity and sets forth guidelines for the application process. The application requirements are further defined in Rule 25-24.511, Florida Administrative Code.

PATS providers are subject to the provisions of Rules 25-24.505 through 25-24.520, Florida Administrative Code, which govern the operation of PATS.

In reviewing the applications of these companies, we find that they contain the information required for certification as set forth in Sections 364.3375 and 364.335, as well as the Rules cited above. Based on the foregoing, we propose to grant each of the companies listed in the caption of this Order a certificate to provide pay telephone service consistent with the conditions and requirements set forth in Rules 25-24.505 through 25-24.520, Florida Administrative Code.

The dockets listed in this Order will be closed following expiration of the period specified in this Order unless an appropriate petition for hearing, protesting a specific application, is filed by one whose substantial interests may or will be affected by this proposed agency action, as provided by Florida Administrative Code Rules 25-22.029 and 25-22.036(7)(a). A petition protesting a specific application filed by one whose substantial interests are affected will not prevent our proposed action from becoming final as to any other application listed in this Order.

It is, therefore,

ORDERED by the Florida Public Service Commission that each of the applicants listed in the caption of this Order is hereby granted a certificate to provide public pay telephone service subject to the conditions stated in the body of this Order. It is further

ORDERED that a petition protesting a specific application, filed by one whose substantial interests are affected, will not prevent the action proposed herein from becoming final as to other applications listed in the Order. It is further

ORDERED that these dockets shall be closed if no protest is filed in accordance with the requirement set forth below.
