ORDER ACCEPTING SETTLEMENT OFFER

BY THE COMMISSION:

Based on inquiries received by the Commission and an admission by the Company in its application for certification, we discovered that INTERNATIONAL TELECOMMUNICATIONS EXCHANGE CORPORATION (INTEX), a non-facilities based company, has been conducting business in Florida since February, 1991. For this reason, in Order No. 25018, issued on September 5, 1991, the Commission required INTEX to show cause in writing why it should not be fined up to \$3,000.00 for its violation of Rule 25-24.470, Florida Administrative Code by providing intrastate telecommunication service without first obtaining a Certificate of Public Convenience and Necessity from the Commission. On September 13, 1991, the Commission received a settlement offer of \$2,500 to be paid within thirty (30) days of the date of the issuance of a Commission order authorizing settlement.

The Company has subsequently been granted a certificate of public convenience and necessity as an interexchange carrier and its actions prior to certification were not especially egregious. Fines for this violation have ranged from \$500.00 to \$5,000.00 with \$2,500.00 being the usual amount of a fine imposed by the Commission for violations of this nature.

Upon consideration, we accept INTEX's offer.

Based upon the foregoing it is

ORDERED that the Florida Public Service Commission hereby accepts INTERNATIONAL TELECOMMUNICATIONS EXCHANGE CORPORATION's
