 ISSUED: 11/18/91

ORDER SUSPENDING TARIFFS

BY THE COMMISSION:

On September 6 1991, pursuant to Order 24989, Gulf Power Company (Gulf) submitted revised tariff filings in Docket No. 910004 for administrative approval. In addition to revisions required by the order, Gulf also submitted for administrative approval modified tariff sheets 7.35 to 7.39.1 which is Gulf's Standby Service Interconnection Agreement.

The interconnection agreement in Docket No. 910004 was specifically designed for qualifying facilities wishing to sell firm capacity and energy to the utilities. Gulf's standby service interconnection agreement, however, is designed for self-generating customers who may need some portion of their energy supplied by Gulf on a standby (non-firm) basis and who will at times be operating in parallel with Gulf's electric system. Since standby tariffs were not at issue in Docket No. 910004, they were never addressed by Commission vote and Order 24989 gives staff no authority to administratively approve them.

We therefore, suspend Gulf's Standby Service Interconnection Agreement pending appropriate review.

It is therefore

ORDERED by the Florida Public Service Commission that modified tariff sheets 7.35 to 7.39.1 submitted by Gulf Power Company on September 6, 1991 are hereby suspended.
