GSI Communications, Inc. filed an application for an interexchange certificate on August 14, 1991. The application contained the required background information and its proposed tariff. Interexchange carriers (IXCs) are subject to the provisions of Rules 25-24.455 through 25-24.495, Florida Administrative Code. Additionally, by Order No. 16804, IXCs are prohibited from constructing facilities to bypass a local exchange company without express prior approval from the Commission.
