ORDER RETIRING CERTIFICATE AND CLOSING DOCKET

Certificate No. 356-S was issued to St. George Island Utility Company, Ltd. (St. George Island or utility) on September 4, 1984, by Order No. 13651. The utility has never provided wastewater service within its territory. There are no customers in the territory at this time. No wastewater treatment plant has been permitted or constructed by the utility.

Pursuant to Section 367.111, Florida Statutes, the Commission initiated proceedings to cancel St. George Island's certificate on March 23, 1990. On July 11, 1991, Proposed Agency Action Order No. 24798 was issued cancelling the wastewater certificate. The utility timely filed an objection to the proposed order and the matter was set for hearing. At the Prehearing Conference, held on November 6, 1991, the utility offered to surrender the wastewater certificate. Subsequently, the certificate was physically surrendered to this Commission.

We find the surrender of wastewater Certificate No. 356-S to be a reasonable and complete resolution of this proceeding. Therefore, we find it appropriate to close this docket.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Certificate No. 356-S is hereby retired. It is further

ORDERED that this docket be closed.
