ORDER GRANTING CERTIFICATE

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

AddCom Communications, Inc. filed an application for an interexchange certificate on November 8, 1991. The application contained the required background information and its proposed tariff. After having considered the application, it appears that the Company is technically capable of providing service. Pursuant to Sections 364.335 and 364.337, Florida Statutes, the Commission may grant a certificate of public convenience and necessity to provide interexchange telecommunications services to a qualified person or other entity. Therefore, we find that it is in the public interest to grant a certificate to AddCom Communications, Inc., and it is our intention to grant the certificate. Interexchange telephone companies are subject to the provisions of Chapter 364, Florida Statutes, and Rules 25-24.455 through 25-24.495, Florida Administrative Code. Additionally, by Order No. 16804, IXCs are prohibited from constructing facilities to bypass a local exchange company without express prior approval from the Commission.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the application of AddCom Communications, Inc. for a certificate to
