ORDER APPROVING TARIFF FILING

BY THE COMMISSION:

On December 2, 1991, United Telephone Company of Florida (United or Company) filed proposed revisions to its General Exchange Tariff. The purpose of the filing was to add United's ExpressTouch Service to its Advanced Business Connection (ABC) Services. ExpressTouch is United's CLASS service, equivalent to Southern Bell's TouchStar Service. Its features include Repeat Dialing, Call Return, Caller ID, and Call Tracing. ExpressTouch is currently available to residence and small business customers.

United used an incremental cost study to project its costs/revenues for this service. The Company projects an annual profit of \$6,035 from the introduction of this service.

Upon review, we approve the tariff. If no timely protest is filed, this Docket shall be closed.

Therefore, based upon the foregoing, it is

ORDERED by the Florida Public Service Commission that the tariff filing by United Telephone Company of Florida to expand ExpressTouch Service to ABC Service is hereby approved. It is further

ORDERED that the tariff shall become effective on 1/20/92. If a timely protest is filed this tariff shall remain in effect with any increase held subject to refund pending resolution of the protest. If no timely protest is filed, this Docket shall be closed.
