ORDER APPROVING TWO NEW SERVICE OPTIONS IN TAMPA ELECTRIC
 COMPANY'S STREET LIGHTING TARIFF

BY THE COMMISSION:

Tampa Electric Company (TECO) has requested that we approve two new service options in the high-pressure sodium street lighting tariff. Currently, TECO offers a 30 foot aluminum pole with underground wiring and 250 Watt fixture and also a 40 foot aluminum pole with underground wiring, 400 Watt fixture, and a device at the base of the pole that allows the pole to breakaway on vehicle impact as required by state and federal safety standards.

The current monthly charges for these options are as follows:

<u>Pole/ Fixture</u>	<u>Pole/ Wire Charge</u>	<u>Fixture Charge</u>	<u>(Total) Facility Charge</u>
30 ft/250W	22.81	4.03	26.84
40 ft/400W	30.31	4.21	34.52

The tariff change authorizes two additional pole/fixture combinations: the 30 foot aluminum pole, but with a 400 Watt fixture; and the 40 foot aluminum breakaway pole with a 250 Watt fixture. The following monthly charges apply to these options:

<u>Pole/ Fixture</u>	<u>Pole/ Wire Charge</u>	<u>Fixture Charge</u>	<u>(Total) Facility Charge</u>
30 ft/400W	22.81	4.21	27.02
40 ft/250W	30.31	4.03	34.34

The tariff change is a combination of the pole/fixture service options already offered by TECO, with no change in per-option charges. The new options were requested by customers, and there are no technical problems with the combinations.

ORDER NO. 25770
DOCKET NO. 920011-EI

Because this is a new offering that does not affect existing customers unless they opt for a change in their facilities, the new rates are effective beginning February 4, 1992.

Accordingly, based on the aforementioned information, we approve the two new service options in the street lighting tariff of Tampa Electric Company.

It is therefore

ORDERED by the Florida Public Service Commission that the two new service options discussed in the body of this Order are now part of Tampa Electric Company's high-pressure sodium street lighting tariff. It is further

ORDERED that the current monthly charges for the two new options are as stated in the body of this Order. It is further

ORDERED that the new tariff is effective beginning February 4, 1992. It is further

ORDERED by the Florida Public Service Commission that if no protest is timely filed, this docket shall be closed.

By ORDER of the Florida Public Service Commission, this
21st day of FEBRUARY, 1992.
