Formal Hearing Regarding Paragraph 8 of ) ISSUED: 3/12/92  
Proposed Facilities Rental Agreement )  
with Florida Power and Light Company )

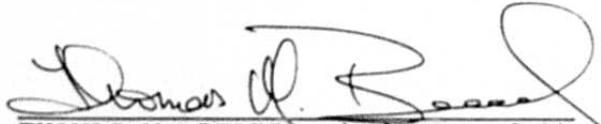

ORDER GRANTING MOTION FOR CONTINUANCE

On February 28, 1992 Florida Power and Light Company filed this motion in which it requested that we grant a continuance of the procedural schedule established for this case. Florida Power and Light Company requested the continuance in order to have additional time to prepare and offer an alternative Facilities Rental Agreement to the Peace River/Manasota Water Supply Authority. FPL represented in its motion that the alternative agreement would alter the provisions of paragraph 8 of its standard facilities rental agreement tariff in an attempt to alleviate the problems the Petitioner has with that paragraph. FPL also represented that Peace River/Manasota did not object to the continuance in order to allow time to settle this problem. FPL requested a continuance of the date for filing briefs in this case until May 26, 1992, with oral argument to be continued until June 4, 1992. The Peace River/Manasota Water Supply Authority only meets once a month to conduct authority business and thus will need the additional time to review and approve any settlement proposals.

The continuance requested is for a relatively short period, and it is requested to allow the parties time to resolve this matter. It is therefore

ORDERED that briefs on the issues in this case will be due on May 26, 1992, and oral argument will be heard on June 4, 1992.

By ORDER of Commissioner Thomas M. Beard, Chairman, this  
12th day of MARCH, 1992.

  
THOMAS M. BEARD, Chairman of the  
Commission
