AMENDATORY ORDER

By Order No. PSC-92-0049-PCO-TL, issued March 11, 1992, we set forth issues for this proceeding.

Shortly after the issuance of the Order it came to our attention that Issues Nos. 5, 7, and 9 needed to be corrected. The amended Issues are set forth below:

ISSUE 5: United is proposing the retirement of 9 Northern Telecom DMS NT40 processors in 1992, 13 Digital 1210 switches and 1 Rockwell SCX switch in 1993, and 10 Digital 1210 switches in 1994. Are these retirements prudent?

ISSUE 7: United is proposing the retirement of its remaining operator systems by year-end 1994. Are these retirements prudent?

ISSUE 9: United is proposing the retirement of \$ 38.6 million digital circuit equipment during the period 1992-1994. Are these retirements prudent?

The changes involve: Issue 5, the name of a switch to be replaced; Issue 7, the removal of a question mark after the first sentence; and Issue 9, the amount of equipment to be retired and the years over which such equipment is proposed to be retired.

Based upon the foregoing, it is

ORDERED by the Florida Public Service Commission that Order No. PSC-92-0049-PCO-TL is amended to the extent outlined in the body of this Order. It is further

ORDERED that Order No. PSC-92-0049-PCO-TL is affirmed in all other respects. It is further
