ORDER APPROVING TARIFF FILING TO MOVE TERRITORY

BY THE COMMISSION:

On February 27, 1990, United Telephone Company of Florida (United or the Company) filed a tariff to move territory from the Winter Garden exchange into the Clermont exchange. Because of a then pending request for Extended Area Service in the affected exchanges, the matter was not resolved at that time. On December 16, 1991, United again requested an exchange boundary change to move territory, which involved three subdivisions, from Winter Garden to Clermont. The changes are requested so that each subdivision will be entirely located in one exchange instead of being served by two exchanges as is currently the case.

Two of the subdivisions do not have customers. Thus, there will not be any customer impact. The third subdivision contains 38 customers. United conducted a telephone survey of the affected customers and found that of the 38 affected customers, 29 wanted to retain Winter Garden service, 6 wanted to change to Clermont and 3 were unable to be reached. With this information in hand, United amended its tariff filing to delete the third subdivision from the boundary change. Therefore, the proposed boundary change involves only the two unpopulated subdivisions.

Upon review, we approve the tariff as modified by the Company. This will move the two subdivisions, which do not currently have customers, from the Winter Garden exchange into the Clermont exchange. The tariff shall become effective at the conclusion of the protest period, assuming no timely protest is filed. If there is a timely protest the tariff shall not go into effect pending reslution of the protest.
