ORDER GRANTING EXTENSION OF TIME

On March 9, 1992, we issued Order No. PSC-92-0013-PCO-TL which required GTE Florida Incorporated (GTEFL or the Company) to perform certain traffic studies in order to allow the Commission to evaluate and consider a request for countywide Extended Area Service (EAS). That Order required the Company to submit the results of the traffic studies by May 9, 1992.

On April 1, 1992, the Company filed a Motion for Extension of Time (Motion) and requested that it be allowed to provide the required information on or before June 9, 1992. To this end, the Company argues that Order No. PSC-92-0013-PCO-TL requires analysis of foreign exchange (FX) data on a per-call and time-of-day-basis. Since the Company does not routinely maintain such data broken down by time of day, it will require additional time to compile the information. The Company asserts that no party will be prejudiced by the extension of time.

The Motion was unopposed.

Upon review, we grant the Company's Motion.

Based on the foregoing, it is

ORDERED by Commissioner Luis J. Lauredo, as Prehearing Officer, that GTE Florida Incorporated's April 1, 1992, Motion for Extension of Time is hereby granted. It is further

ORDERED that GTE Florida Incorporated shall file the required information on or before June 9, 1992.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: 1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; 2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or 3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described
