ORDER ELIMINATING ANNUAL IXC COMPENSATION REPORT
REQUIRED IN ORDER NO. 20484

BY THE COMMISSION:

In Order No. 13750, Docket No. 820537, issued October 5, 1984, this Commission determined that toll service originating and terminating in a single EAEA was to be provided solely by the LECs. We concluded the IXCs did not have the capability of identifying and then blocking intraEAEA calls. Consequently, we required those IXCs to pay compensation to the LECs for intraEAEA calls. In order to track the amount of intraEAEA traffic being carried by these IXCs, the LECs were required, in Order No. 20484, Docket No. 870894, issued December 20, 1988, to file an annual report showing what IXCs were operating in their territories, the types of access provided, the compensation amounts due to the LECs and the amounts paid by each IXC for that year.

In Order No. 23540, Docket No. 880812, issued October 1, 1990, we allowed all IXCs to carry traffic within an EAEA, eliminating toll monopoly areas effective January 1, 1992. This decision discontinued the need for the IXCs to pay compensation to the LECs and the need for the LECs to track or report compensation information. Accordingly, we find it appropriate that the LECs discontinue sending in the annual compensation reports.

It is, therefore,

ORDERED by the Florida Public Service Commission that the LECs will discontinue filing annual reports as specified in Order No. 20484. It is further

ORDERED that this docket shall be closed.
