NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING PAY TELEPHONE CERTIFICATE

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission (the Commission) that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

The company listed in the caption of this Order filed an application for a certificate to provide pay telephone service (PATS). This application was filed pursuant to Section 364.3375, Florida Statutes (1990), which provides that no person can provide pay telephone service without first obtaining from this Commission a certificate of public convenience and necessity to provide such service. Section 364.335 provides for the application for a certificate of public convenience and necessity and sets forth guidelines for the application process. The application requirements are further defined in Rule 25-24.511, Florida Administrative Code.

PATS providers are subject to the provisions of Rules 25-24.505 through 25-24.520, Florida Administrative Code, which govern the operation of PATS.

On September 22, 1988, Goran Dragoslavic d/b/a First American Telecommunications Corporation (FATC) was first certificated as a pay telephone provider. On April 29, 1992, FATC's certificate was

cancelled pursuant to Commission Order NO. PSC-92-0164-FOF-TC due to the company's failure to provide a current mailing address as required by Rule 25-24.520(1), Florida Administrative Code. On June 5, 1992, FATC filed a new application for a certificate to provide pay telephone service in Florida.

In his application for a certificate, Mr. Dragoslavic indicated he provided the Commission with his company's new address by both telephone and in writing. However, the Commission did not receive the written notification and Mr. Dragoslavic has no proof of delivery. Therefore, his certificate was cancelled. Mr. Dragoslavic has since paid all outstanding regulatory assessment fees, interest and penalties, and has fully cooperated with the Commission to resolve all disputes.

In reviewing the application of this company, we find that it contains the information required for certification as set forth in Sections 364.3375 and 364.335, as well as the Rules cited above. Based on the foregoing, we propose to grant this company listed in the caption of this Order a certificate to provide pay telephone service consistent with the conditions and requirements set forth in Rules 25-24.505 through 25-24.520, Florida Administrative Code.

The docket listed in this Order will be closed following expiration of the period specified in this Order unless an appropriate petition for hearing, protesting a specific application, is filed by one whose substantial interests may or will be affected by this proposed agency action, as provided by Florida Administrative Code Rules 25-22.029 and 25-22.036(7)(a).

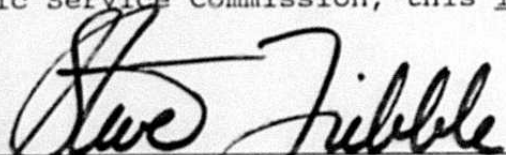

It is, therefore,

ORDERED by the Florida Public Service Commission that the applicant listed in the caption of this Order is hereby granted a certificate to provide public pay telephone service subject to the conditions stated in the body of this Order. It is further

ORDERED that this docket shall be closed if no protest is filed in accordance with the requirement set forth below.

The action proposed herein is preliminary in nature and will not become effective or final, except as provided by Rule 25-22.029, Florida Administrative Code. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, as provided by Rule 25-22.029(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a) and (f), Florida Administrative Code.
