ORDER APPROVING TARIFF FILING

BY THE COMMISSION:

On June 2, 1992, Southern Bell Telephone and Telegraph Company (Southern Bell or the Company) filed a tariff to waive one-half of the regulated nonrecurring charge for additional business lines and trunks, and to waive all of the nonrecurring charges for adding rotary service capability to existing lines. The proposed tariff would remain in effect from August 1, 1992, to September 30, 1992. The instant filing is similar to one by ALLTEL Florida, Inc. which we previously approved.

Upon review, we find that this tariff filing will benefit new and existing business subscribers by (1) providing them with the opportunity to obtain new and/or additional business and trunk access lines at lower non-recurring charges and (2) waiving the service charge for obtaining rotary lines service. Southern Bell indicates that the addition costs incurred through the stimulation of demand for new and additional services will be covered by the increased revenues which will result from the promotion. Thus, we approve the tariff as filed. Additionally, we find it appropriate that any identical promotional filings by Local Exchange Companies shall be allowed to become effective upon fifteen days notice without being brought to Commission Agenda Conference.

Based upon the foregoing, it is

ORDERED by the Florida Public Service Commission that the tariff filing by Southern Bell Telephone and Telegraph Company to
