ORDER GRANTING CONFIDENTIAL TREATMENT  
OF DOCUMENT NO. 8866-92

On August 7, 1992 BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company (SBT or Company) filed a Request for Specified Confidential Classification (Request) for certain interLATA and intraLATA traffic data. The Commission has assigned Document No. 8866-92 to the traffic studies at issue. The data was filed in compliance with Order No. PSC-92-0469-PCO-TL, which was issued on June 8, 1992, in this docket SBT asks that the information at issue be held to be proprietary confidential business information pursuant to Rule 25-22.006, Florida Administrative Code. Such a determination would exempt the material from Section 119.07(1), Florida Statutes pursuant to Section 364.183, Florida Statutes. The Request has not been opposed by any party to this proceeding.

SBT argues that intraLATA traffic data should be granted confidential treatment due to intraLATA competition in Florida. The Company cites Orders No. 20051 and 22983 in support of the proposition that intraLATA competition exists and concludes that disclosure of intraLATA data would cause it competitive harm.

It is evident that intraLATA routes are now subject to competition and that disclosure of traffic data on such routes could result in competitive harm to the Company. Thus, the material at issue falls within a statutory example of "propriety confidential business information" as set forth at Section 364.183(3)(e), Florida Statutes. Such information is exempt from Section 119.07(1) Florida Statutes. Therefore, the Company's Request is granted.

Based upon the foregoing, it is

ORDERED by Commissioner Luis J. Lauredo as Prehearing Officer that BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company's Request for Specified Confidential Classification is granted.
