ORDER APPROVING TARIFF PROPOSAL

BY THE COMMISSION:

By Order No. 25566, issued January 6, 1992, in Docket No. 910022-TL, we proposed requiring implementation of an alternative toll relief plan known as the \$.25 plan on certain routes between Bradford County, Union County, and Gainesville. Following resolution of a limited protest, we reissued the operative portions of Order No. 25566 in Order No. PSC-92-0282-FOF-TL, issued May 4, 1992. That Order became final and effective on May 26, 1992.

One of the routes for which the \$.25 plan was ordered is between the Brooker and Starke exchanges. ALLTEL Florida, Inc. (ALLTEL or the Company) presently offers Toll Discount Service on the Brooker to Starke route. Toll Discount Service is an optional calling plan which permits calling on a timed per message basis to exchanges or zones of an area exchange outside of the customer's normal local service area. Since the \$.25 plan is being implemented on this route, the Company has filed a tariff proposal to delete the Toll Discount Service offering.

Upon consideration, we find that this service should be eliminated at the time the \$.25 plan is implemented. Accordingly, we shall approve the tariff proposal to be effective September 12, 1992, as requested by the Company.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the tariff proposal filed by ALLTEL Florida, Inc. on April 9, 1992, to
