ISSUED: 11/12/92

ORDER GRANTING MOTION FOR CONTINUANCE

On October 1, 1992, Florida Power and Light Company and Okefenoke Rural Electric Membership Corporation filed a Joint Stipulation and Petition for Suspension of CASR based upon the beginning of settlement negotiations. On October 6, 1992, Order PSC-92-1129-PCO-EU was issued, which modified the Order Establishing Procedure (PSC-92-0921-PCO-EU), suspending filing dates of testimony, rebuttal testimony, and prehearing statements.

On October 19, 1992, the parties filed a Joint Motion for Continuance, requesting the Commission to continue proceedings in these dockets indefinitely while the parties engage in settlement negotiations. In the motion, the parties stated that the settlement negotiations have begun and are proceeding in good faith. Rather than permitting an indefinite period of time to allow negotiations between the parties, I will allow the parties six months to reach a settlement; otherwise, a hearing date will be established at that time to settle the territorial disputes in question.

It is, therefore,

ORDERED that the Motion for Continuance is granted as discussed in the body of this Order. It is further

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
