ORDER APPROVING CHANGE IN NAME OF UTILITY

BY THE COMMISSION:

On January 10, 1989, by Order No. 20583, Certificate No. 510-W was issued in the name of C&S Water Company, Inc. By letter dated September 17, 1992, C&S requested that the name on the certificate be changed from C&S Water Company to O&S Water Company, Inc. The utility asserted that this name change is needed because it intends to incorporate with the Secretary of State reflecting its new name, O&S Water Company, Inc. Although the utility is incorporating, our records indicate that the utility has not effected a change in majority organizational control. No change of ownership has taken place as Mr. Douglas Stewart, previously a sole proprietor, will now be a 100 percent stockholder. Further, the utility has filed revised tariffs reflecting the new name of the utility.

Upon consideration of the foregoing, the utility's request to change the name on Certificate No. 510-W to O&S Water Company, Inc. is hereby approved. Further, the utility shall file a copy of its recorded warranty deed within thirty days of this Order.

Based upon the foregoing, it is, therefore,

ORDERED by the Florida Public Service Commission that the request to change the name of C&S Water Company shown on Certificate No. 510-W to O&S Water Company, Inc., is hereby approved. It is further

ORDERED that Certificate No. 510-W shall be returned to the Commission within thirty days of the date of this Order so that Certificate No. 510-W can be revised to reflect the name of O&S Water Company. It is further
