(a) For noncompliance with ~~and/or~~ violation of any state or municipal law, ordinance, or regulation pertaining to telephone service.

(b) For the use of telephone service for any other property or purpose than that described in the application.

(c) For failure or refusal to provide the utility with a deposit to insure payment of bills in accordance with the utility's regulations.

(d) For neglect or refusal to provide reasonable access to the utility for the purpose of inspection and maintenance of equipment owned by the utility.

(e) For noncompliance with ~~and/or~~ violation of the Commission's regulations or the utility's rules and regulations on file with the Commission, provided ~~five(5)~~ working days' written notice is given before termination.

(f) For nonpayment of bills for telephone service, including the telecommunications access system surcharge referred to in Rule 25-4.160(5), provided that suspension or termination of service

shall not be made without ~~five~~(5) working days' written notice to the customer, except in extreme cases. The written notice shall be separate and apart from the regular monthly bill for service. A utility shall not, however, refuse or discontinue service for nonpayment of a dishonored check service charge imposed by the utility.

(g) For purposes of paragraphs (e) and (f), "working day" means any day on which the utility's business office is open and the U.S. Mail is delivered.

(i) Without notice in the event of tampering with the equipment furnished and owned by the utility.

(j) Without notice in the event of unauthorized or fraudulent use of service. Whenever service is discontinued for fraudulent use of service, the utility may, before restoring service, require the customer to make, at his own expense, all changes in facilities or equipment necessary to eliminate illegal use and to pay an amount reasonably estimated as the loss in revenues resulting from such fraudulent use.

(2) In case of refusal to establish service, or whenever service is discontinued, the utility shall notify the applicant or customer in writing of the reason for such refusal or

(3) Service shall be initiated or restored when cause for refusal or discontinuance has been satisfactorily adjusted.

(4) The following shall not constitute sufficient cause for refusal or discontinuance of service to an applicant or customer:

(b) Delinquency in payment for service by a present occupant who was delinquent at another address and subsequently joined the household of the subscriber in good standing.

(c) Delinquency in payment for separate telephone service of another subscriber in the same residence.

(d) Failure to pay for business service at a different location and a different telephone number shall not constitute sufficient cause for refusal of residence service or vice versa.

(e) Failure to pay for a service rendered by the utility which is not regulated by the Commission.

(f) Failure to pay the bill of another customer as guarantor thereof.

(g) Failure to pay a dishonored check service charge imposed by the utility.
