ORDER INDICATING EXEMPT STATUS OF  
RAINBOW PARK WATER SYSTEM AND CLOSING DOCKET

BY THE COMMISSION:

On October 6, 1992, Rainbow Park Water System (Rainbow) filed an application with this Commission for exemption from Commission regulation pursuant to Section 367.022(5), Florida Statutes. Rainbow, which provides water service to Rainbow Park, a mobile home complex, is located at 6950 South U.S. Highway No. 1 in Port St. Lucie, Florida. Mr. Harry F. Goeringer, Owner, filed the application on behalf of Rainbow.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water and wastewater facilities, if they qualify under the appropriate provision of Chapter 367, Florida Statutes. Rainbow requested recognition of the exempt status of its water system under Section 367.022(5), Florida Statutes.

According to Section 367.022(5), Florida Statutes, an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and charges for utility service are included as a nonspecific portion of the rent. The application indicates that Rainbow provides water service only to its tenants and the service territory is limited to the mobile home complex. Also, water service is included as a nonspecific portion of the monthly rent. Wastewater service is provided by septic tank.

In addition, the application form states that pursuant to Section 837.06, Florida Statutes, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Goeringer acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that Rainbow is exempt from Commission regulation, pursuant to Section 367.022(5), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of Rainbow or any successor in interest must inform the Commission within 30 days of such change so that we may determine whether exempt status is still appropriate.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Rainbow Park Water System, 188 Northeast Caprona Avenue, St. Lucie, Florida 34983, is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Rainbow Park Water System or any successors in interest, shall inform this Commission within 30 days of such a change so that we may re-evaluate Rainbow's exempt status. It is further

ORDERED that Docket No. 921022-WU is hereby closed.
