ORDER INDICATING NONJURISDICTIONAL STATUS  
OF MILLER ENTERPRISES, INC. AND CLOSING DOCKET

BY THE COMMISSION:

On February 1, 1993, Miller Enterprises, Inc. (Miller) filed an application with this Commission for recognition of its nonjurisdictional status pursuant to Section 367.021(12), Florida Statutes. Miller intends to construct a water system at its Handy Way store located at 14990 North Highway 225, Fairfield, Florida. Mr. Thomas A. Miller, President, filed the application on behalf of Miller. The primary contact person is Mr. Don Davis, Real Estate Manager of Miller Enterprises, Inc.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(1), (2) and (3)(j), Florida Administrative Code. According to the application, water service is provided only to the Handy Way Store and the adjacent post office, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Miller

acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Miller is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Miller is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of Miller or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Miller Enterprises, Inc., 331 Central Avenue, Crescent City, Florida 32112, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Miller Enterprises, Inc. or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate Miller's nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission this 10th day of February, 1993.
