ORDER INDICATING EXEMPT STATUS OF WINDMILL
VILLAGE WASTEWATER TREATMENT PLANT AND CLOSING DOCKET

BY THE COMMISSION:

On November 11, 1992, Windmill Village Wastewater Treatment Plant (Windmill Village) filed an application with this Commission for recognition of its exempt status pursuant to Section 367.022(5), Florida Statutes. Windmill Village is located at 16131 North Cleveland Avenue, North Fort Myers, Florida. Mr. Thomas M. Seater, Manager and primary contact person, filed the application on behalf of Windmill Village. By letter dated December 11, 1992, Mr. Thomas H. Keenan, Vice President, Eastern Region of Mobile Home Communities, Inc., authorized Mr. Seater to file the application.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water and wastewater facilities, if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(5), Florida Statutes.

Section 367.022(5), Florida Statutes, states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service. The application indicates that Windmill Village provides wastewater service only to its tenants and the service territory is limited to the mobile home park. Also, the wastewater service is included as a nonspecific portion of the monthly rent. Water service is provided by Lee County Utilities.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Seater acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.
