ORDER INDICATING NONJURISDICTIONAL STATUS  
OF TRIPLE O, INC. AND CLOSING DOCKET

BY THE COMMISSION:

On November 3, 1992, Triple O, Inc. (Triple O) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Triple O owns a restaurant located at Interstate 75 and County Road No. 234, Micanopy, Florida. Ms. Misty D. Leahy, General Manager, filed the application on behalf of Triple O. The primary contact person is Mr. Richard M. Tisdale.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code. According to the application, water service is provided only to the restaurant, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Ms. Leahy acknowledged that she is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.
