ORDER INDICATING NONJURISDICTIONAL  
STATUS OF PELICAN PLAZA

BY THE COMMISSION:

On December 24, 1992, Pelican Plaza filed an application with this Commission for recognition of nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. The applicant provides water service only to customers of Pelican Plaza, which is a warehouse. The contact person is Mr. Gerald Kreiser and the mailing address is 1805 S.W. Biltmore Street, Port St. Lucie, Florida 34952. The system is located at 1029-1065 S.W. Biltmore Street, Port St. Lucie, Florida 34952. The warehouse is equipped with an on-site septic tank.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(1), (2), and (3)(j), Florida Administrative Code. The applicant stated in its application that all costs for providing the service are treated or recovered as operational expenses. Furthermore, it acknowledged Section 837.06, Florida Statutes, regarding false statements.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, Florida Statutes, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Based on the facts as represented, we find that Pelican Plaza is not a utility pursuant to Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of Pelican Plaza or any successor in interest
