BILTMORE PLAZA, INC. AND CLOSING DOCKET

BY THE COMMISSION:

On January 7, 1993, Biltmore Plaza, Inc. (Biltmore) filed an application with this Commission for recognition of its exempt status pursuant to Section 367.022(5), Florida Statutes. Biltmore is located at 1849 Southwest Biltmore Street, Port St. Lucie, Florida. Mr. Arif Parupia, President and primary contact person, filed the application on behalf of Biltmore.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water and wastewater facilities, if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(5), Florida Statutes.

Section 367.022(5), Florida Statutes, states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service. The application indicates that Biltmore provides water service only to its tenants and the service territory is limited to 1849 Southwest Biltmore Street. Also, the water service is included as a nonspecific portion of the monthly rent. Wastewater service is provided by a septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Parupia acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that Biltmore is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of
