ORDER GRANTING REQUEST FOR EXTENSION TIME TO FILE REPORT

BY THE COMMISSION:

Under Rule 25-4.018, Florida Administrative Code, local exchange companies are required to file an annual report with this Commission by April 15 of each year. However, Rule 25-4.018, Florida Administrative Code also provides that the filing date may be extended by written permission of the Commission.

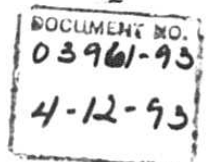

On March 12, 1993, Vista-United Telecommunications (Vista) requested a fifteen-day extension of time to file its annual report. According to Vista, an extension is necessary because: its 1992 books did not close until February 22, 1993; an independent audit is presently in progress and the annual report will need to reflect any audit adjustments, and; Vista is working on its Interstate Access tariff filing, which is due on April 1, 1993.

Based upon the foregoing, we believe that it is appropriate to grant Vista's request. Accordingly, Vista shall have until April 30, 1993, to file its annual report.

It is, therefore,

ORDERED by the Florida Public Service Commission that Vista-United Telecommunications' request for extension of time to file its 1992 annual report is granted. It is further

ORDERED that Vista-United Telecommunications shall file its annual report with this Commission on or before April 30, 1993. It is further

ORDER NO. PSC-93-0558-FOF-TL
