ORDER INDICATING EXEMPT STATUS OF
KEYSTONE VILLAGE APARTMENTS AND CLOSING DOCKET

BY THE COMMISSION:

On March 8, 1993, Keystone Village Apartments (Keystone) filed an application with this Commission for recognition of its exempt status pursuant to Section 367.022(5), Florida Statutes. Keystone is an apartment complex located at 61 Thomas Circle, Keystone Heights, Florida. Mr. Thomas J. Mannausa, General Partner of Keystone Oaks, Ltd., which owns the apartments, filed the application on behalf of Keystone. The primary contact person is Ms. Judy Drost, Supervisor/Manager of Keystone.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water and wastewater facilities, if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(5), Florida Statutes, and Rule 25-30.060(3)(e), Florida Administrative Code.

Section 367.022(5), Florida Statutes, states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service. The application indicates that Keystone provides wastewater service only to its tenants and the service territory is limited to the apartment complex. Also, the wastewater service is included as a nonspecific portion of the monthly rent.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Mannausa

Based upon the facts as represented, we find that Keystone is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of Keystone or any successor in interest must inform the Commission within 30 days of such change so that its exempt status may be reevaluated.
