ORDER INDICATING EXEMPT STATUS OF
WEST STAR DEVELOPMENT, INC. AND CLOSING DOCKET

BY THE COMMISSION:

On December 24, 1992, Lakewood Park Medical Center filed an application with this Commission for recognition of its exempt status pursuant to Section 367.022(5), Florida Statutes. Upon review of the application, it was determined that the name of the office complex is Lakewood Professional Center; the Center is owned by West Star Development, Inc. (West Star). Since West Star is the landlord, it is appropriate that the exemption be in the name of West Star. West Star's system is located at 5061 Sunshine State Parkway, Ft. Pierce, Florida. Mr. G. Michael Thompson, President of West Star, and primary contact person, filed the application on behalf of West Star.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water and wastewater facilities, if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(5), Florida Statutes, and Rule 25-30.060(3)(e), Florida Administrative Code.

Section 367.022(5), Florida Statutes, states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service. The application indicates that West Star provides water service only to its tenants and the service territory is limited to the medical center. Also, the water service is included as a nonspecific portion of the monthly rent. Wastewater service is provided by a septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is

guilty of a misdemeanor. By signing the application, Mr. Thompson acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that West Star is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of West Star or any successor in interest must inform the Commission within 30 days of such change so that its exempt status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, West Star Development, Inc., 2141 Northeast 2nd Street, Ocala, Florida 34470, is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of West Star Development, Inc. or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate West Star's exempt status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 27th day of April, 1993.
