SECOND ORDER ON PROCEDURE

In the Order Establishing Procedure in this Docket, issued on April 23, 1993, I set forth how prefiled testimony will be handled in this case. Please take note that, in addition to prefiled testimony, the Commission often hears testimony from the general public pursuant to Section 120.57(1)(b)4, Florida Statutes. Typically, such witnesses are sworn en masse, and then each testifies briefly. Such testimony is subject to cross examination, challenge, and rebuttal. If a member of the public wishes to offer such testimony, it shall be taken at the beginning of the June 11, 1993, hearing in this Docket.

Based upon the foregoing, it is

ORDERED by Commissioner Julia L. Johnson, as Prehearing Officer, that the foregoing shall apply to the proceeding in this Docket.

By ORDER of Commissioner Julia L. Johnson, as Prehearing Officer, this 6th day of May, 1993.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
