ORDER INDICATING EXEMPT STATUS OF  
PROGRESS MOBILE HOME COURT AND CLOSING DOCKET

BY THE COMMISSION:

On March 10, 1993, Progress Mobile Home Court (Progress) filed an application with this Commission for recognition of its exempt status pursuant to Section 367.022(5), Florida Statutes. Progress is located at 12105 Northwest U.S. 441, Gainesville, Florida. Mrs. Maude T. Tanner, owner and primary contact person, filed the application on behalf of Progress.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water and wastewater facilities, if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(5), Florida Statutes, and Rule 25-30.060(3)(e), Florida Administrative Code.

Section 367.022(5), Florida Statutes, states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service. The application indicates that Progress provides water and wastewater service only to its tenants and the service territory is limited to the mobile home park. Also, the water and wastewater service is included as a nonspecific portion of the monthly rent.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mrs. Tanner acknowledged that she is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.
