NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING CERTIFICATE TO PROVIDE
INTEREXCHANGE TELECOMMUNICATIONS SERVICES

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding in accordance with Rule 25-22.029, Florida Administrative Code.

On April 6, 1993, Intelicom Corporation d/b/a Intelicom filed an application for a certificate to provide interexchange telecommunications services. The application contained the required background information and its proposed tariff. After having considered the application, it appears that it is in the public interest to grant, and it is our intention to grant to Intelicom, a certificate to provide interexchange telecommunications services. Interexchange telecommunications services providers are charged with the responsibility of complying with the provisions of Chapter 364, Florida Statutes, and Chapters 25-4 and 25-24, Florida Administrative Code. Moreover, pursuant to the provisions of Order No. 16804, interexchange telecommunications services providers are prohibited from constructing facilities to bypass a local exchange company without express prior approval from this Commission.
