ORDER GRANTING CONFIDENTIAL TREATMENT TO
SPECIFIC MATERIAL CONTAINED IN DOCUMENT NO 6375-93

On March 23, 1993, by Order No. PSC-93-0416-PCO-TL, we required GTE Florida Incorporated (GTEFL or the Company) to file traffic studies on the routes under consideration in this Docket. On June 14, 1993, GTEFL filed the required traffic studies along with a Request for Confidential Treatment of certain specified information contained therein. The studies in question have been assigned Document No. 6375-93 by the Commission. The routes under consideration are interLATA. GTEFL asserts that specific material contained in the traffic studies represents the confidential business information of AT&T.

GTEFL contends that the material at issue contains calling patterns on a number of interLATA toll routes and revenues generated from that traffic. GTEFL concludes that disclosure of the information could be used to the competitive detriment of AT&T.

Upon review, I find that the material at issue is proprietary business information pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. As such, it shall be kept confidential and exempt from Section 119.07(1), Florida Statutes.

Therefore, it is

ORDERED by Commissioner Julia L. Johnson that GTE Florida Incorporated's June 15, 1993, Request for Confidential Treatment of the specifically identified material contained in Document No. 6375-93, is granted. It is further

ORDERED that pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, any confidentiality granted to the documents specified herein shall expire eighteen (18) months from the date of issuance of this Order

in the absence of a renewed request for confidentiality pursuant to Section 364.183. It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric,

A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code.
