

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In Re: Application for a rate) DOCKET NO. 930400-EI
increase for Marianna electric) ORDER NO. PSC-93-1125-PCO-EI
operations by Florida Public) ISSUED: August 3, 1993
Utilities Company.)
_____)

ORDER GRANTING CERTAIN REQUESTS FOR MODIFICATION
OR WAIVER OF MINIMUM FILING REQUIREMENTS

BY THE COMMISSION:

By letter filed April 19, 1993, Florida Public Utilities Company (FPU) notified the Commission that it intends to file a petition to change its retail rates for its Marianna Division. By letters dated July 12, 1993, and July 22, 1993, FPU has requested certain modifications and waivers to its minimum filing requirements. Rule 25-6.043(3), Florida Administrative Code, permits the Commission to waive the minimum filing requirements. Having reviewed the requests, I find that they should be approved or denied as follows:

<u>SCHEDULE</u>	<u>RULING</u>
B-27	The requested modification is approved.
B-29	The requested modification is approved.
C-12	The requested modification is approved.
C-21	The requested modification is approved.
C-59	The requested modification is approved.
E-22	The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
E-23	The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
E-25a	The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
E-25b	The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.

FOR THE PUBLIC SERVICE COMMISSION

- G-2 The requested waiver is denied. Rate base data for the interim period is needed to evaluate FPU's requested interim increase. If this data is identical to the 1992 test year rate base, the schedule should also be provided here and a note stating that it is identical included.
- G-3 The requested waiver is denied. Rate base data for the interim period is needed to evaluate FPU's requested interim increase. If this data is identical to the 1992 test year rate base, the schedule should also be provided here and a note stating that it is identical included.
- G-4 The requested waiver is denied. Rate base data for the interim period is needed to evaluate FPU's requested interim increase. If this data is identical to the 1992 test year rate base, the schedule should also be provided here and a note stating that it is identical included.
- G-5 The request waiver is denied. Rate base data for the interim period is needed to evaluate FPU's requested interim increase. If this data is identical to the 1992 test year rate base, the schedule should also be provided here and a note stating that it is identical included.
- G-6 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-7 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-8 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-9a The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.

- G-9b The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-10 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-11 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-12 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-13 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-14 The requested waiver is denied. Net operating income data for the interim period is needed to evaluate FPU's requested interim increase. If this data is identical to the 1992 test year data, the schedule should also be provided here and a note stating that it is identical included.
- G-15 The requested waiver is denied. Net operating income data for the interim period is needed to evaluate FPU's requested interim increase. If this data is identical to the 1992 test year data, the schedule should also be provided here and a note stating that it is identical included.
- G-16 The requested waiver is denied. Net operating income data for the interim period is needed to evaluate FPU's requested interim increase. If this data is identical to the 1992 test year data, the schedule should also be provided here and a note stating that it is identical included.
- G-17 The requested waiver is denied. Net operating income data for the interim period is needed to evaluate FPU's requested interim increase. If this data is identical to the 1992 test year data,

the schedule should also be provided here and a note stating that it is identical included.

- G-18 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-19 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-20 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-21 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-22 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-23 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-24 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-25 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-26 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-27 The requested waiver is denied. Tax expense data for the interim period is needed to evaluate FPU's requested interim increase. If this data is identical to the 1992 test year data, the schedule should also be provided here and a note stating that it is identical included.

- G-28 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-29 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-30 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-31 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-32 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-33 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-34 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-35 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-36 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-37 The requested waiver is denied. The revenue expansion factor for the interim period is needed to evaluate FPU's requested interim increase. If this factor is identical to the 1992 test year, the schedule should also be provided here and a note stating that it is identical included.

- G-39 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-40 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-41 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-42 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.
- G-43 The requested waiver is denied. Reconciliation of rate base and capital structure for the interim period is needed to evaluate FPU's requested interim increase. If the reconciliation is identical to the 1992 test year, the schedule should also be provided here and a note stating that it is identical included.
- G-44 The requested waiver is approved. The schedule should be included in the index with the notation that it was waived.

Accordingly, it is

ORDERED by Commissioner Julia L. Johnson, as Prehearing Officer, that the requests for modification or waiver of certain Minimum Filing Requirements are approved or denied as detailed in this Order.

By ORDER of Commissioner Julia L. Johnson, as Prehearing Officer, this 3rd day of August, 1993.

JULIA L. JOHNSON, Commissioner and
Prehearing Officer

(S E A L)
DLC/RVE:bmi

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request:

- (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer;
- (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or
- (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
