ORDER GRANTING CONTINUANCE

On September 15, 1993, Clay Electric Cooperative, Inc. (Clay) and the City of Alachua (Alachua) filed a Joint Motion For Suspension of CASR in this docket. The motion requested that the case schedule be suspended for a period of three months to allow the parties additional time to negotiate a settlement of their dispute.

It is the Commission's policy to encourage settlement of territorial disputes by agreement, and three months appears to be a reasonable period for negotiations. Therefore, this case will be continued for three months from the date of issuance of this order. The case schedule should be revised accordingly.

By ORDER of Commissioner Susan F. Clark, as Prehearing Officer, this 29th day of September, 1993.

SUSAN F. CLARK, Commissioner and
Prehearing Officer

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.
