ORDER APPROVING TARIFF FILING

Indiantown Telephone System, Inc.'s (Indiantown or the Company) current intraLATA toll rates are published in ALLTEL FLORIDA, INC.'s General Subscriber Service Tariff, Section 18. Since Indiantown is currently in an overearning situation, the Company wants to establish its own reduced level of intraLATA toll rates. By the instant filing, Indiantown seeks to add a new Section 18 to its General Subscriber Services Tariff which will contain the regulations and rates for the Company's Long Distance Message Telecommunications Service (MTS).

The current and proposed rates and discounts are set forth below:

Direct Distance Dialed Rates

ORDER NO. PSC-93-1476-FOF-TL
DOCKET NO. 930910-TL
PAGE 2

Indiantown's current intraLATA MTS rates are among the highest in the State. The proposed rates cover access charges in the aggregate, in accordance with the guidelines established in Order No. PSC-92-0146-FOF-TL, Docket No. 900708-TL. The revenue impact of the proposed rates to Indiantown, with no stimulation included, is a decrease in annual revenues of approximately \$208,000. Although this is a significant amount of revenue for Indiantown, we do not believe that this reduction will cause the Company to seek an increase in other rates. The revenue decrease will be offset by overearnings and an increase in Indiantown's universal service fund revenue. Upon review, we find that the proposed rates are reasonable and will allow Indiantown to better compete in the intraLATA market. Thus, we shall approve the tariff filing.

Because the Company has proposed an effective date of October 2, 1993, customers shall be informed of this reduction in toll rates, through a bill stuffer accompanying their next bill.

Therefore, it is

ORDERED by the Florida Public Service Commission that Indiantown's proposed intraLATA MTS rates and discounts are hereby approved effective October 2, 1993. It is further

ORDERED that this tariff shall become effective on October 2, 1993. If a timely protest is filed, this tariff shall remain in effect with any revenues held subject to refund pending resolution of the protest. If no timely protest is filed, this docket shall be closed.

By ORDER of the Florida Public Service Commission this 11th day of November, 1993.
