ORDER CLOSING DOCKET

BY THE COMMISSION:

On October 27, 1992, P.B.V. Corporation (P.B.V.) filed a notice of abandonment of the Port Buena Vista Water System in Putnam County. The utility is a small Class C water utility serving approximately 58 residential customers and one clubhouse in Putnam County. The company began operation in March 1972. The docket was opened to monitor the abandonment of the water system by P.B.V. The notice of abandonment was withdrawn and filed again on January 14, 1993. The abandonment did not take place. Landis Enterprises, Inc. (Landis) has since acquired the utility and filed an application for a water certificate pursuant to Section 367.045, Florida Statutes, in Docket No. 930198-WU. Wastewater service is provided by a central wastewater system owned by Weber Investment Corporation (Weber). Weber has applied for a wastewater certificate in Docket No. 930197-SU.

In consideration of the above, since the abandonment of the water system by P.B.V. Corporation did not take place, no further action in this docket need be taken. Therefore, this docket is hereby closed.
