ORDER REQUIRING PARTIES AND STAFF TO FILE ISSUES

This investigation was initiated on the Commission's own motion to address the question of whether a uniform rate structure is appropriate for SSU on a prospective basis. In order to insure an orderly and efficient discovery process in this investigation, and to insure fairness in the full administrative process, the parties and staff are hereby directed to file a list of issues to be considered in this docket within five days of the date of this Order. The relevant issues to be heard in this investigation will be identified in an Order within ten days of the date of this Order. Any new issues identified by the parties or staff in the Prehearing Statements or at the Prehearing Conference will be considered only if the new issue arises from discovery and was not discernable prior to discovery and was not previously considered and rejected by the Prehearing Officer.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
