ORDER GRANTING MOTION FOR CONTINUANCE

On June 28, 1993, Skyway Power Corporation (Skyway) protested PAA Order No. PSC-93-0843-FOF-EQ, and Docket No. 920978-EQ was set for hearing. On October 22, 1993, Skyway filed a motion for continuance of the proceedings scheduled for this docket. Skyway stated that the Commission is presently considering related issues in Docket No. 921288-EU - Proposed Amendment of Rule 25-22.081, F.A.C., Contents of Petition, and Proposed New Rule 25-22.082, F.A.C., Selection of Generating Capacity, and "the Commission's actions and decisions in that docket may obviate the need for further proceedings in the instant docket . . ." Florida Power Corporation, the only other party, has no objection to the continuance.

I agree that this matter should be continued. Accordingly, the events scheduled in Order No. PSC-93-1409-PCO-EQ, including the hearing, are hereby cancelled and will not be rescheduled until the conclusion of Docket No. 921288-EU.

It is, therefore,

ORDERED that the events scheduled for Docket No. 920978-EQ in Order No. PSC-93-1409-PCO-EQ, the Order Establishing Procedure, are hereby continued as discussed in the body of this Order.

By ORDER of Commissioner Julia L. Johnson, as Prehearing Officer, this 1st day of November, 1993.

JULIA L. JOHNSON, Commissioner and
Prehearing Officer

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
