SECOND ORDER ESTABLISHING PROCEDURE

On October 27, 1993, a corrected Demand Side Measures List was faxed and mailed by staff to each party of record in Docket Nos. 930548-EG through 930551-EG. Any pleadings contesting a measure's characterization shall be filed with the Commission's Division of Records and Reporting and served on all parties of record by Wednesday, November 3, 1993. Any responsive pleadings to the November 3, 1993 pleadings shall be filed with the Commission's Division of Records and Reporting and served on all parties of record by Wednesday, November 10, 1993. After my review of these measures and any pleadings, a final Demand Side Measures List shall be published. The utility potential (UP) characterizations with which I concur shall be noted on the final list. Florida Power and Light Company, Florida Power Corporation, Tampa Electric Company, and Gulf Power Company shall then make a cost-effectiveness evaluation on each UP measure identified by me as such on the final list.

Each party shall adhere to this time frame so the investor-owned utilities can meet the cost-effectiveness goal results schedule set forth in Order No. PSC-93-0953-PCO-EG.

It is, therefore,

ORDERED by Chairman J. Terry Deason, as Chairman and Prehearing Officer, that the schedule discussed above shall be incorporated by reference into Order No. PSC-93-0953-PCO-EG, the Order Establishing Procedure in these dockets.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
